90cm DC Ceiling Fan Downrod with Wiring Loom

SKU: AARTI600

This 90-centimetre DC ceiling fan downrod with wiring loom is crafted from steel, offering a sturdy option for mounting DC ceiling fans indoors. The slim, straight profile helps set fan height where needed while keeping wiring discreetly inside the loom. It is suitable for DC ceiling fans and for indoor use only. Choose your downrod based on ceiling height and fan specifications to ensure correct placement. Backed by a 1-year warranty, it's an essential accessory for adapting fans to different room heights. It is practical and reliable.
