Chrome 7 Bar Square Stainless Steel Heated Towel Rail

SKU: TBUL1005

This heated towel rail in 201 stainless steel brings warm towels and a neat look to your bathroom. Wall-mounted with a multi-bar layout, it warms towels quickly and is energy-efficient to run. The dry electric element delivers reliable warmth, so towels are ready after a shower and bathrooms feel cosier. Durable stainless steel stands up to humid spaces and the rail gives space to hang multiple towels. It's a practical upgrade that adds comfort and a tidier bathroom routine for everyday family life.
