The Leon 750mm wall-hung single vanity brings modern minimalism to your bathroom. The cabinet is crafted from eucalyptus plywood with a satin lacquered finish for a smooth, refined look. A matte sintered stone benchtop provides cohesive styling and is designed to pair with wall-mounted tapware. A push-to-open drawer with an inner drawer and soft-close function keeps essentials organised and easy to access. Water- and humidity-resistant construction helps the vanity remain durable in damp bathroom environments.
