Leon 900mm Wall-Hung Single Vanity

SKU: TMPL6366

The Leon 900-millimetre wall-hung single vanity brings a refined modern look to compact bathrooms, built from eucalyptus plywood with a satin finish for a smooth, contemporary appearance. It has two soft-close drawers, with a push-to-open inner drawer for organised storage. The benchtop has a waste hole and no tap holes, making it ideal for pairing with modern wall-mounted tapware. Water- and humidity-resistant construction helps it perform well in damp bathroom environments. Technical drawings provide precise measurements.
