

Blanca Stainless Steel Shower Screen Clip

SKU: TMPL6504

Blanca stainless steel shower screen clip provides a minimal, elegant hardware solution for securing shower screens. Crafted from 304 stainless steel, it resists corrosion and offers long-lasting durability for the bathroom environment. Its compact profile keeps the focus on the glass, while delivering stable support and a neat finished look. Ideal for modern bathrooms where subtle, reliable fittings are preferred. The refined finish complements a range of interiors, making it an unobtrusive yet dependable choice for tidy shower screen detailing and everyday use.
