Bowral 760mm Single Fireclay Farmhouse Sink

SKU: TMPL7023

Upgrade your kitchen or laundry with this classic farmhouse sink. Its apron front allows you to stand close to it without the barrier of a modern counter top getting between you and the sink, minimising strain as you use it. Plus, you can choose to show the plain or the fluted front during installation. It's deep, and it's expertly finished with a smooth glaze that enhances durability and shine, and resistance to wear and tear. You'll love the iconic kitchen essential.
