

Delta Rounded Back to Wall Toilet Suite

SKU: TMPL7383

Delta Rounded Back to Wall Toilet Suite is a porcelain back to wall toilet that pairs contemporary style with practical technology. Rimless technology and a nano glaze help maintain a hygienic bowl. A matte finish hides fingerprints and water spots, whilst a gloss surface creates a bright, elegant look that lifts a bathroom. The dual flush system helps reduce water use, and the soft close quick release seat adds quiet convenience. It's a durable, easy to live with and stylish option for modern family bathrooms.
