Avalon Egg Acrylic Freestanding Bath with Overflow

SKU: TMPL7458

The Avalon Egg freestanding bath brings a sculptural focal point to your bathroom. Its freestanding form and central waste create a balanced, elegant look that suits contemporary bathrooms. Sanitary-grade acrylic offers a sleek, polished surface that keeps your bath warmer for longer, and it's easy to clean once the water's drained away. Concealed and adjustable feet ensure the bath sits level for a secure fit.
