Avalon 1500mm Acrylic Fluted Freestanding Bath with Overflow

SKU: TMPL7459

The Avalon freestanding acrylic bath brings sculptural style and everyday comfort to the bathroom. Its curved silhouette and outer fluted detail add subtle texture and a modern focal point. Finished in sanitary grade acrylic for a smooth, glossy feel, the bath features an integrated overflow and a centre drain for neat water management. Concealed adjustable feet keep the bath level and stable on different floors. Ideal for a relaxed soak, it suits contemporary renovation projects where form and function matter, and quiet moments of relaxation are valued.
